Sarah was amazing, our day went off without one single flaw! She made the planning process easy, had wonderful ideas and handled my indecisive yet picky personality without even blinking. Sarah's calming demeanor helped me stay calm throughout this very stressful process. Sarah was able to work around my busy schedule to go to vendor appointments and kept in contact with my mother and I weekly. As every bride knows there are things you forget or don't think of, when I would bring it up to Sarah she already had it handled. The week before my wedding I did not have to worry about a thing, surprisingly it was one of the least stressful weeks of my life. Sarah was able to manage our 20 plus wedding party and keep them in line. She remained calm even when I made changes to the decor the week before and even had some ideas of her own that had a huge impact on our reception. On my wedding day Sarah was by my side the entire time, at least that is how I felt, during the reception I would need something and Sarah was there. I cannot say enough about Sarah and Brooke!

I'm not sure where to begin! Sarah and her team at One Fine Day, Inc helped turned my vision for my wedding into a reality and wildly exceeded my expectations. Being an out of state bride, I needed a full service planner who could guide me with my design choices and help me choose the best vendors in the area that matched my style and budget. Sarah did all that and more! Thanks to her and her wonderful team, my wedding planning process was seamlessly smooth and I enjoyed every second of working with them! No request was too big. No detail was forgotten about. Sarah readily made herself available to respond to every question I had, and was a wonderful person to bounce my ideas off of and get advice from. On the wedding day itself, Sarah was there from the time I started getting ready until the last guest left the

reception. She made sure our wedding day went off without a hitch, and my groom and I, as well as our families, could just relax and enjoy the special day. Her and her team went above and beyond and truly provided 5 star service. I would highly recommend Sarah and One Fine Day. At the end of the wedding planning process, she became not only my planner, but one of my friends.

I just recently got married and one of the best decisions about the wedding beyond the dress and the groom was Sarah! She is fabulous, a live saver, calm, and friendly. Do yourself a huge favor--involve Sarah in your day. She caught every detail, helped things run perfectly on the day of and for the rehearsal. Sarah was so on top of things that on the day of the wedding I didn't have to worry because I knew that she would take care of everything. For example, the day of the wedding also happened to be my now husband's sister's birthday. I had ordered a special cupcake to be delivered along with the wedding cake, so that my husband and I could give it to her. MY first mistake is I forgot to tell Sarah about the cupcake. So when the cake vendor didn't bring the cupcake and I did not realize this until during the reception. Sarah sprang into action instantly found a little cake, candles, lit the candles, and signaled the band to sing happy birthday all in about 5 minutes. It was downright AMAZING! Sarah helped bustle my dress, orchestrate the schedule, calm my mom down--she did everything. She helped find linens for the reception and glasses for the cocktail hour. She did the last minute coordinating with all of the vendors and helped the reception turn into the most beautiful thing I have ever seen. She had awesome suggestions about the order events to keep the reception flowing, decor ideas, and was spot on about everything. I would absolutely recommend Sarah to anyone and everyone. According to my mom, "Sarah is worth more than her weight in gold."

I cannot say enough about Sarah! Sarah has such a warm and calm personality that really makes you feel at ease and it's this trait that makes her such a great wedding planner. Her creativity in transforming the layout really had a huge impact on our

reception. It was amazing! She is a true lifesaver with the amount of detail and work that was put in and for that I am so grateful to have had her there. Sarah and her assistant made our wedding day go so smoothly and they are so great to work with. One Fine Day, Inc. is a must on your wedding day!

I hired Sarah at One Fine Day as my Day of planner and I definitely received more than I could have ever dreamed. Sarah is an amazing coordinator and really helps the Bride to feel at ease on such a stressful day. Sarah is prepared for any and all situations that may arise on the day of your wedding and helps to make everything run perfectly. Although I only hired Sarah for the "day of" she made sure that I knew if I had any questions or needed advice for the months leading up to the wedding that she was always available. Every time I emailed her, I would get a response in a very timely manner. I don't know what I would have done without her for my wedding and I highly recommend her to every Bride!

Dear Sarah, Cathy and I want to express our great appreciation for the fantastic job you did working with Kristin, Dan, and us in planning and executing an absolutely beautiful wedding and reception. We feel very fortunate to have been able to work closely with you from the very early stages of the planning process through the very end of the reception. You were always responsive, supportive and helpful, and had many, many useful suggestions and contacts throughout the entire process. I am confident that without all of your help, expertise and support, the planning process, wedding and reception would not have been as smooth, beautiful, and enjoyable for the bride and groom or us. You are truly exceptional and we look forward to working with you on 2 more weddings when the time comes.

Warm regards, Bob & Cathy | Parents of the Bride

Dear Sarah, Thank you for being the most positive impact on this entire wedding. From your E-mails to your phone calls you always remained calm and uplifting! You always steered me in the right direction from the greatest references in vendors to the nicest advice on how to handle situations. I was truly surprised when you toured me through the Yacht Club prior to the guests arriving. I was stunned! Everything was overwhelmingly beautiful. You guided my family through the night and I can't thank you enough. Thanks again.

Sincerely, Charles & Patty | Parents of the Bride
